**ARTICLE IX**

**INDEMNIFICATION OF OFFICERS AND DIRECTORS**

A. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

Whether civil, criminal, administrative, or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of Director or officer of the Association, or in his capacity as Director, officer, employee or agent of any other corporation, partnership, joint venture, or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including

attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

B. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of gross negligence or misconduct in the performance of his duty to the Association, unless and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

C. The Board of Directors shall determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

D. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

## **ARTICLE X**

### **TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED**

A. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association or other organization in which one or more of its Directors or officers are Directors or officers, have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board or Committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. However, such Director or officer must disclose such financial or other interest. No Director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

B. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

## **ARTICLE XI**

### **BY LAWS**

By-Laws shall be initially adopted by the Board of Directors after which these By-Laws may be amended, at a regular or special meeting of the members, by a vote of a majority of a quorum of members present in person or by proxy.

## **ARTICLE XII**

### **ANNEXATION**

Such Annexation shall become effective upon the recording of an amendment to the Declaration in the Public Records of Leon County, Florida.

## **ARTICLE XIII**

### **AMENDMENTS**

Proposals for the alteration, amendment or rescission of these Articles of Incorporation may be made by a majority of the Board of Directors or twenty-five percent (25%) of the voting members. Amendment of these Articles of Incorporation shall require the assent of not less than seventy-five percent (75%) of the total number of votes of the membership, except that the Board of Directors may amend these Articles of Incorporation without the assent of the membership to correct any ambiguities, scrivener's errors or conflicts appearing within these Articles of Incorporation.

## **ARTICLE XIV**

### **DISSOLUTION**

The Association may be dissolved with the assent given in writing and signed by the holders of not less than two-thirds (2/3) of the total number of the members. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for the purposes similar to those for which this

Association was created. In the event dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any non-profit corporation, association, trust or other organization to be devoted to such similar purposes.
